# NOTES

# Guide to Bowls Etiquette

1. Be aware of the laws of the sport of bowls and the Rules of " Bowls England."
2. Be punctual for all matches and come in correct attire.
3. Keep quiet and refrain from moving when players are on the mat.
4. Stand behind the mat whilst your opponents bowl.
5. Always stand still at the head when a player is about to bowl.
6. When changing ends, walk close to the centre of the rink with the minimum delay.
7. Never deliver your bowl before the previous bowl has come to rest.
8. Keep track of play, be ready to bowl when it's your turn.
9. When the end is complete, leave woods in place until it has been decided who is holding shot.
10. Every player should assist in collecting bowls at completed ends.
11. Never complain about your opponents lucky woods - they tend to equal out over the season.
12. Respect the green. Do not drop bowls, stand on the edge or run.
13. If you lose, be a good loser and don't blame other people or the green.

**Above all, enjoy the game for it's pleasure and the social aspects it brings.**
